## Announcement

To the Voters of Warren and Clarke:

I respectfully announce myself a candidate for the office of Member of the Virginia House of Delegates, to represent the district composed of the counties of Clarke and Warren, subject to the action of the democratic convention, to be held pursuant to the law.

Respectfully,  
ROBERT BROCKETT.

To the Voters of Clarke and Warren.

I would be proud of the honor of representing you in the Legislature of our grand Old State, and if you will elect me I will devote my entire time and talent to your interest.

Yours,  
ARTHUR L. WARTEN.

Gov. Tyler is pleading the right of the people to speak for themselves on the senatorial issue in terms that they can all understand and in words that go to the root of this important question. Even though it is said he is prompted by selfish considerations—and who seeks an office with any other motive?—his method of settling this issue confers upon himself no privilege his opponent would not enjoy. Gov. Tyler is reported as saying:

"I understand that there is some talk and fear about independence, but I do not know anything about them. About the first independents that came out were those in Isle of Wight, where Col. Day, Mr. Martin's father-in-law, bolted his own convention and jumped so far that he even demanded a primary. If a disease of this kind breaks out, it will be because of the dissatisfaction of the people on account of the way they have been treated. When the organization of the party has been turned into a machine to run over the people, nobody can wonder at dissatisfaction resulting; but this is a trouble that can be easily cured. Where the people are clamoring for the right to express themselves directly between the candidates for the United States Senate, let the right be given them, and there will be no complaint, no matter what the decision may be. My friends have begged in a large number of cities and counties for a direct vote, and even where tickets were provided and candidates voted for the request has been denied.

In all but four counties—Southampton, Northampton, Bedford and Culpeper—and in these places (I say it reverently) thank God they have spoken with no uncertain sound. Why could not all the counties, especially where there is party trouble, be allowed to settle their difficulties in this way? It would be a simple, easy and fair way, and the party would come out of the fight strengthened rather than weakened. Mr. Martin has said that he would vote for an amendment to the Constitution providing for the election of Senators by a direct vote of the people. Why not commence it now? If he believes enough in the principle to vote for it hereafter, why not now, when it will strengthen the party? I am satisfied that the candidates and many of the committees will see that this is the wisest and safest plan to strengthen the Democratic party and that the plan will be generally adopted. I think that some method of allowing the people to express themselves in the legislative districts where my name was not allowed to go before the people or time given for candidates to be put up for me ought to be granted.

The court-martial sitting in the case of Capt. Dreyfus, at Rennes, France, brought the second trial of that officer to a close last Saturday by bringing in a verdict of guilty, and fixing his term of imprisonment at ten years. Two of the seven members of the court voted for his acquittal. The prisoner in this case had to prove that he was not guilty, and this he was not able to do when all the general of the staff swore that they believed he was guilty, and when the counsel for the accused pressed questions upon the witnesses that would have exposed the fallacies under which they were laboring, the president of the court excused them from making a reply.

Those Americans disposed to sympathize with France when she gets into trouble with any of her neighbors will hardly think she is deserving of any such sentiment since she has shown that she is capable of wallowing in so much injustice, in obedience to the will of the leaders of her military establishment. Then, again, the temporizing policy of the government in dealing with Suerin, who has shut himself in a house and defies arrest, is not calculated to give one an exalted opinion of the French character for self-government.

GOOD ENOUGH TO TAKE.—The finest quality of loaf sugar is used in the manufacture of Chamberlain's Cough Remedy and the roots used in its preparation give it a flavor similar to that of maple syrup, making it very pleasant to take. As a medicine for the cure of coughs, colds, laryngitis, croup and whooping cough it is unequalled by any other. It always cures, and cures quickly. For sale by W. Richardson, druggist.

We see it stated that Mr. Altgeld, in his New York speech, wants the democratic party to turn out of doors those democrats who do not endorse all the declarations of the Chicago platform. Well, if this is done that 6,500,000 votes the candidate received in 1896 will be considerably diminished. What the democratic party ought to do is to get rid of such socialists as Altgeld. He ran against and fought the democratic nominee for mayor of Chicago, and when a man votes against the party nominee he has no right to set a standard of party law. If a majority of democrats were of the Altgeld kind we would not have to be invited to leave that party.

At the meeting of the G. A. R. in Philadelphia last week Col. Lang proposed that the captured Confederate flags be returned to the Southern States, but the proposition developed enough opposition to defeat it without much discussion. Our flags are not necessary to prove that those who bore them bathed them in the hurricane of battle, as all the world knows by the heavy pension list this country is sustaining that those flags represented armies whose prowess inflicted an awful total of injuries upon their opponents.

The Charlestown Free Press last week attained a journey in newspaper life of eighty-eight years, leaving it but twelve years to reach the century mark. Notwithstanding its great age it possesses the buoyant and joyous step of youth leaping into the battle waged for the possibilities of today. The Free Press has ably and steadfastly aimed to promote those measures conserving to the good of the people among whom it has labored, and we hope its years of usefulness may always be marked with freshness and vigor of the present.

Discovered by a Woman. Another great discovery has been made, and that too by a lady in this country. For seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly, and could not sleep. She finally discovered a way to recovery, by purchasing a bottle of Dr. King's New Discovery for Consumption, and was so much relieved on taking first dose, that she slept all night, and with two bottles, has been absolutely cured. Her name is Mrs. Luther Lutz. This wonderful cure is sold by W. C. Hamrick & Co., of Shelby, N. C. Trial bottles free at C. W. Blencoe's drug store. Regular size 50c and \$1. Every bottle guaranteed.

CHRONIC DIARRHOEA CURED.—This is to certify that I have had chronic diarrhoea ever since the war. I got so weak I could hardly walk or do anything. One bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy cured me sound and well. J. R. GIBBS, Fincastle, Va. I had chronic diarrhoea for twelve years. Three bottles of Chamberlain's Colic, Cholera and Diarrhoea Remedy cured me.

S. L. SHAVER, Fincastle, Va. Both Mr. Gibbs and Mr. Shaver are prominent farmers and reside near Fincastle, Va. They procured the remedy from Mr. W. E. Casper, a druggist of that place, who is well acquainted with them and will vouch for the truth of their statements. For sale by W. Richardson, druggist.

The pain of a burn or scald is almost instantly relieved by applying Chamberlain's Pain Balm. It also heals the injured parts more quickly than any other treatment, and without leave a scar. For sale by W. Richardson, druggist.

He Fooled the Surgeons. All doctors told Renick Hamilton, of West Jefferson, O., after suffering 15 months from Rectal Piles, he would die unless a costly operation was performed; but he cured himself with five boxes of Bucklen's Kidney and Bladder Pills. Sold by C. W. Blencoe, druggist.

Glorious News. Comes from Dr. D. B. Cargile, of Washita, I. T. He writes: "Four bottles of Electric Bitters has cured Mrs. Brewster, which had caused her great suffering for years. Terrible sores would break out on her head and face, and the doctors could give no help; but her cure is complete and her health is excellent." This shows what thousands have proved—that Electric Bitters is the best blood purifier known. It cures the supreme remedy for eczema, tetter, salt rheum, ulcers, boils and running sores. It stimulates liver, kidneys and bowels, expels poisons, helps digestion, builds up strength. Sold by C. W. Blencoe, druggist. Guaranteed.

The Appetite of a Goliath. Is envied by all poor dyspeptics whose Stomach and Liver are out of order. All such should know that Dr. King's New Life Pills, the wonderful Stomach and Liver Remedy, gives a splendid appetite, sound digestion and a regular bodily habit that insures perfect health and vigor. Only 25c at C. W. Blencoe's drugstore.

A Sure Thing for You. A transaction in which you cannot lose a thing. Biliousness, sick headache, furred tongue, fever, piles and a host of ailments are caused by constipation and sluggish liver. Chamberlain's Cathartic, the wonderful new liver stimulant and intestinal purifier, gives a splendid appetite, sound digestion and a regular bodily habit that insures perfect health and vigor. Only 25c at C. W. Blencoe's drugstore.

Two Millions a Year. When people buy, try, and buy again, it means they're satisfied. The people of the United States are now buying Chamberlain's Cough Remedy at the rate of two million boxes a year and it will be three million before New Year's. It means merit, proved, that Chamberlain's is the most delightful bowel regulator for everybody in your round. All druggists 10c, 25c, 50c a box, cure guaranteed.

Everybody Says So. Chamberlain's Cough Remedy, the most wonderful medical discovery of the age, pleasant and refreshing to the taste, acts gently and positively on kidneys, liver and bowels, cleansing the entire system, dispelling colds, cure headache, fever, biliousness, constipation and biliousness. Please buy and try a box of C. C. C. to-day; 10c, 25c, 50c. Sold and guaranteed to cure by all druggists.
